Fiserv Top Donor for Relay For Life® Lake Mary – Heathrow, Florida Helps American Cancer Society to achieve fundraising goal

Brookfield, Wis. May 8, 2008 - Fiserv CBS Worldwide, a business unit of Fiserv, Inc. (NASDAQ: FISV), announced today that by joining hands with associates from four other Fiserv business units located in Lake Mary, Fla, Imagesoft, Credit Processing Services, Loan Management Products and IntegraSys, they have once again been named the top corporate fundraiser for the 2008 American Cancer Society's Relay For Life® of Lake Mary - Heathrow. This is the fourth time in the past six years that Fiserv has led the corporate fundraising efforts for the event.

In addition to a corporate donation from Fiserv CBS Worldwide, making them a Silver Sponsor, Fiserv associates at Lake Mary, Fla. locations raised nearly \$14,000 for the American Cancer Society's signature event. This year's Relay For Life® of Lake Mary – Heathrow is projected to raise more than \$168,000 after expenses, \$7,000 above their original goal.

The American Cancer Society (ACS) is the largest private non-profit funder of cancer research in the country. Since its research program began in 1946, the American Cancer Society has invested more than \$3.1 billion in cancer research and funded 42 Nobel Prize winners.

Locally held Relay For Life® events allow people across the country to join the fight against cancer. The overnight event raises money and awareness while serving as a celebration for cancer survivors, a memorial for loved ones and a rally for the community.

"Fiserv believes in the importance of community involvement and has been impacted by cancer like all other organizations. The Relay For Life® provides us an opportunity as a company to help ACS in their fight to eliminate the disease," said Tony Catalfano, president, Fiserv CBS Worldwide.

In addition to the event, associates can take advantage of an unprecedented opportunity to participate in cancer research in our community and enroll in the American Cancer Society's Cancer Prevention Study, which will take place for over the next 20-30 years.

Jill House (Fiserv CBS), Estry Grimsley (Fiserv CBS) and Amanda Zwissler (Imagesoft) accept the Top Corporate Fundraiser Award on behalf of Fiserv.
